SCHEDULE OF POINTS EFFECTIVE MAY 13, 2020 - SCHEDULE OF POINTS

For complete Conformation Championship requirements, see **Chapter 16** of the *Rules Applying to Dog Shows*.

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that competed in the regular classes for its sex in calculating championship points

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater. If no points are available for the Best of Winners, the number of regular class dogs in both sexes are added together and compared to the point schedule. If the total sum of regular class dogs and bitches meets or exceeds the number of competitors needed for one point in its sex, the Best of Winners will receive one championship point.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

For schedule of points corresponding to this dog show, please see breed heading.

NOTICE: An agent is a person 18 years or older, other than an owner or co-owner, designated by the owner or co-owner of an exhibit to be handler of, and responsible for, the dog at the show. Agents' names may be followed by the initials which represent their AKC-recognized professional group affiliation or certification. Persons seeking the services of such an agent should familiarize themselves with the requirements for professional group membership or certifications which are available online at akc.org.

I hereby certify to the correctness of the within marked awards and absentees, as taken from the judges books.

INVITATIONAL SHELTY SPECTACULAR SHOWCASE

An exciting, non competitive event, showcasing the top winning Shelties in conformation events (specialty and all breed) based on the number of Shelties defeated in BEST OF BREED COMPETITION ONLY during 2020. Invitations to participate will be emailed after all stats are figured. (stats come from Canine Chronicle BOB wins and Bob Miller's statistics)

PLEASE NOTE: \$25.00 ENTRY FEE REQUIRED. (covers the cost of the rosette)

Payment may be made by check mailed to Cay Ireland, PO Box 92, Willow Spring, NC 27592-9998

Duplicates can be ordered as well but all awarded rosettes must be paid for in advance and no later than closing date.

If you will not be there and want the rosette to be mailed, there is an additional **\$10.00** charge.

You do not need to be present to have this spectacular rosette awarded for all your hard work and devotion to Shelties in Conformation for the year 2020.

The invitation is sent to the owners of the top winning shelties who earned Best of Breed in Specialty and All Breed competition only.

To participate, owners will receive an invitation welcoming you to take part in the showcase event. Fill out the info and send it to

Joy Bass, joybass07@yahoo.com

All titles are NOT included in the count of words for the bios or placed on the rosette, neither is pertinent information required above. Programs will include all information.

Firm closing date for all information is **February 17, 2021**. If you do not want a rosette, send no money. Rosette will NOT be provided if fee is not included.

There will be a People's Choice awarded. Ballots must be received that night. Late ballots will not be counted!

ASSA MEMBER CLUB BANNERS

ADDITIONAL RULES

1. Entries must reach the Superintendent, Jack Bradshaw by *Noon, Wednesday, April 7, 2021*. Fees should accompany entries. This club and/or its superintendent assumes no responsibility for wrong or incomplete information given on the entry blank by the owner or agent of the owner. This club and its superintendents assume no responsibility for the owner or owner's agents entering a dog in a class in which the dog is not eligible to compete, or for entering the same dog twice.
2. Returned Checks do not constitute a valid entry fee. The Superintendent will add a collection fee to the amount of each returned check and declined credit card. Subsequent returned checks for the same exhibitors may result in their being put on a cash only basis. The returned check or declined credit card must be made good by cash or money order before the dog will be allowed in the ring.
3. Exhibitors' Identification tickets and judging programs will be mailed to the address given on the entry blank. If not received within a reasonable time prior to the show, notify the superintendent. Tickets returned by the Post Office marked 'undeliverable' will be held at the Superintendent's Office. Please bring your identification tickets to the show.
4. During the hours of judging owners are to be on call, and have their dogs ready to bring into the judging ring promptly, in order that the judging will not be delayed. Dogs need only be present for their judging. Dogs not needed for further judging may be excused. It is the responsibility of the exhibitor to have his dog ready to be shown and at the entrance of the judging ring when the steward calls for the class. Owners of dogs or the handlers of the dogs alone are responsible for the presence of their dogs in the judging rings. This means it is not the responsibility of the ring steward, nor of any agent of the show-giving club to locate any dog, its owner or handler, when the dog's presence is needed in a judging ring. It should be understood by every exhibitor and handler that waiting for dogs to be brought into the ring is a courtesy extended to the owner or handler of the dog. There is no rule of this club nor of The American Kennel Club that requires a judge to wait for an owner or handler to bring his dog into the ring.
5. Trophies and prizes will be awarded in the judging ring before the completion of the judging of the breed and the superintendent's office advised at once, in the event of any discrepancy. All trophies must be claimed the day of the show. None will be mailed.
6. Exhibitors are admonished to make themselves familiar with the agreement of the American Kennel Club, referred to on the reverse side of the entry blanks that accompany this premium list. Rule books are available online at www.akc.org.
7. The club, its superintendents or their employees will not be responsible for the loss of or damage to any dog exhibited, whether the result of accident or other causes and in addition assumes no responsibility for any loss, damage or injury sustained by an exhibitor or handler. It is distinctly understood that every dog at this show is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises.
8. No grooming tables, pens or exhibitors' setups will be allowed in the aisles and all grooming must be done away from the judging ring in areas specified by the club.
9. Entry fees shall not be refunded in the event that a dog is absent, disqualified, sick, lame, excused by veterinarian or judge, barred from competition by action of the Bench Show Committee, or because the dog is ineligible to compete due to being entered incorrectly. There is no refund of entry fee for duplicate entry. There will be a \$4.00 fee charged for cancellation of entry prior to closing of entries.
10. There is no provision offered for unentered dogs at this show.
11. Declination of Entries. The Kennel Club of Riverside may decline any entries for cause and may refuse to receive or may remove any dog on account of disease, viciousness or other causes, and no one shall have any claim or recourse against the Kennel Club or any official thereof.
12. If, because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or complete the show, no refund of entry will be made.
13. Do not leave any dogs in closed vehicles.
14. Dogs which according to their owners' records have completed the requirements for a championship after the closing of entries for the show but whose championships are unconfirmed, may be transferred from one of the regular classes to the Best of Breed or Variety Competition, provided this transfer is made by the Superintendent at least one half hour prior to the start of the earliest Conformation judging at the Show.
15. Junior Handlers who win a third Novice Class after the Closing of entries for a show may transfer their entry from the Novice Class to the Open Class provided that this transfer is made by the Superintendent at least one half-hour prior to the scheduled start of the earliest conformation judging or one half-hour prior to the scheduled start of Junior Showmanship judging at the Show, whichever is earlier.
16. No practicing allowed in rings at any time.
17. Parents and/or Guardians are responsible for the actions of their children.
18. By attending this event, you acknowledge that an inherent risk of exposure to COVID-19 exists in any public place where people are present and agree not to hold the superintendent liable for any illness or injury.
19. By attending this event, you voluntarily assume all risks related to exposure to COVID-19 and agree not to hold Jack Bradshaw Dog Shows, its owners, employees, or volunteers liable for any illness or injury.

ATTENDEES AND GUEST BEHAVIOR

There occasionally arises a situation where an attendee's behavior in the hotel or at an event site becomes a cause for an unhappy situation that compels the club to take action in order to maintain good relations with the hotels and/or the show site. Common sense and courtesy should dictate your actions to avoid such situations. To assist us in rectifying any problems with individuals or their dogs promptly, the hotel staff will inspect all rooms daily and shall report to the event committee any observed violations or damages. The event committee and security will be observing conduct at the show sites as well. Complaints will be investigated, and the parties involved will be asked to comply with required corrective actions immediately. Each dog owner, guest or registrant is expected to cooperate; cease and desist offensive actions; settle damage claims on the spot; and provide insurance or other pertinent information as required or requested. Infractions of any rule or failure to comply may be cause for an official event committee hearing and possible suspension of AKC privileges. It is no fun for anyone having to deal with misconduct, but we will, if necessary, so please don't force this issue.

The Shetland Sheepdog Breed Standard

General Appearance

Preamble: The Shetland Sheepdog, like the Collie, traces to the Border Collie of Scotland, which, transported to the Shetland Islands and crossed with small, intelligent, longhaired breeds, was reduced to miniature proportions. Subsequently crosses were made from time to time with Collies. This breed now bears the same relationship in size and general appearance to the Rough Collie as the Shetland Pony does to some of the larger breeds of horses. Although the resemblance between the Shetland Sheepdog and the Rough Collie is marked, there are differences which may be noted. The Shetland Sheepdog is a small, alert, rough-coated, longhaired working dog. He must be sound, agile and sturdy. The outline should be so symmetrical that no part appears out of proportion to the whole. Dogs should appear masculine; bitches feminine.

Size, Proportion, Substance

The Shetland Sheepdog should stand between 13 and 16 inches at the shoulder. Note: Height is determined by a line perpendicular to the ground from the top of the shoulder blades, the dog standing naturally, with forelegs parallel to line of measurement.

Disqualifications-- Heights below or above the desired size range are to be disqualified from the show ring.

In overall appearance, the body should appear moderately long as measured from shoulder joint to ischium (rearmost extremity of the pelvic bone), but much of this length is actually due to the proper angulation and breadth of the shoulder and hindquarter, as the back itself should be comparatively short.

Head

The head should be refined and its shape, when viewed from top or side, should be a long, blunt wedge tapering slightly from ears to nose.

Expression-- Contours and chiseling of the head, the shape, set and use of ears, the placement, shape and color of the eyes combine to produce expression. Normally the expression should be alert, gentle, intelligent and questioning. Toward strangers the eyes should show watchfulness and reserve, but no fear.

Eyes medium size with dark, almond-shaped rims, set somewhat obliquely in skull. Color must be dark, with blue or merle eyes permissible in blue merles only. Faults-- Light, round, large or too small. Prominent haws. Ears small and flexible, placed high, carried three-fourths erect, with tips breaking forward. When in repose the ears fold lengthwise and are thrown back into the frill. Faults-- Set too low. Hound, prick, bat, twisted ears. Leather too thick or too thin.

Skull and Muzzle Top of skull should be flat, showing no prominence at nuchal crest (the top of the occiput). Cheeks should be flat and should merge smoothly into a well-rounded muzzle. Skull and muzzle should be of equal length, balance point being inner corner of eye. In profile the top line of skull should parallel the top line of muzzle, but on a higher plane due to the presence of a slight but definite stop. Jaws clean and powerful. The deep, well-developed underjaw, rounded at chin, should extend to base of nostril. Nose must be black. Lips tight. Upper and lower lips must meet and fit smoothly together all the way around. Teeth level and evenly spaced. Scissors bite.

Faults-- Two-angled head. Too prominent stop, or no stop. Overfill below, between, or above eyes. Prominent nuchal crest. Domed skull. Prominent cheekbones. Snipy muzzle. Short, receding, or shallow underjaw, lacking breadth and depth. Overshot or undershot, missing or crooked teeth. Teeth visible when mouth is closed.

Neck, Topline, Body

Neck should be muscular, arched, and of sufficient length to carry the head proudly. **Faults--** Too short and thick.

Back should be level and strongly muscled. Chest should be deep, the brisket reaching to point of elbow. The ribs should be well sprung, but flattened at their lower half to allow free play of the foreleg and shoulder. Abdomen moderately tucked up. **Faults--** Back too long, too short, swayed or roached. Barrel ribs. Slab-side. Chest narrow and/or too shallow. There should be a slight arch at the loins, and the croup should slope gradually to the rear. The hipbone (pelvis) should be set at a 30-degree angle to the spine. **Faults--** Croup higher than withers. Croup too straight or too steep.

The tail should be sufficiently long so that when it is laid along the back edge of the hind legs the last vertebra will reach the hock joint. Carriage of tail at rest is straight down or in a slight upward curve. When the dog is alert the tail is normally lifted, but it should not be curved forward over the back.

Faults-- Too short. Twisted at end.

Forequarters

From the withers, the shoulder blades should slope at a 45-degree angle forward and downward to the shoulder joints. At the withers they are separated only by the vertebra, but they must slope outward sufficiently to accommodate the desired spring of rib. The upper arm should join the shoulder blade at as nearly as possible a right angle. Elbow joint should be equidistant from the ground and from the withers. Forelegs straight viewed from all angles, muscular and clean, and of strong bone. Pasterns very strong, sinewy and flexible. Dewclaws may be removed. **Faults--** Insufficient angulation between shoulder and upper arm. Upper arm too short. Lack of outward slope of shoulders. Loose shoulders. Turning in or out of elbows. Crooked legs. Light bone.

Feet should be oval and compact with the toes well arched and fitting tightly together. Pads deep and tough, nails hard and strong. **Faults--** Feet turning in or out. Splay feet. Hare feet. Cat feet.

Hindquarters

The thigh should be broad and muscular. The thighbone should be set into the pelvis at a right angle corresponding to the angle of the shoulder blade and upper arm. Stifle bones join the thighbone and should be distinctly angled at the stifle joint. The overall length of the stifle should at least equal the length of the thighbone, and preferably should slightly exceed it. Hock joint should be clean-cut, angular, sinewy, with good bone and strong ligamentation. The hock (metatarsus) should be short and straight viewed from all angles. Dewclaws should be removed. **Faults--** Narrow thighs. Cow-hocks. Hocks turning out. Poorly defined hock joint.

Feet as in forequarters.

Coat

The coat should be double, the outer coat consisting of long, straight, harsh hair; the undercoat short, furry, and so dense as to give the entire coat its "standoff" quality. The hair on face, tips of ears and feet should be smooth. Mane and frill should be abundant, and particularly impressive

in males. The forelegs well feathered, the hind legs heavily so, but smooth below the hock joint. Hair on tail profuse. Note: Excess-hair on ears, feet, and on hocks may be trimmed for the show ring. Faults-- Coat short or flat, in whole or in part; wavy, curly, soft or silky. Lack of undercoat. Smooth-coated specimens.

Color

Black, blue merle, and sable (ranging from golden through mahogany); marked with varying amounts of white and/or tan. Faults-- Rustiness in a black or a blue coat. Washed-out or degenerate colors, such as pale sable and faded blue. Self-color in the case of blue merle, that is, without any merling or mottling and generally appearing as a faded or dilute tri-color. Conspicuous white body spots. Specimens with more than 50 percent white shall be so severely penalized as to effectively eliminate them from competition. Disqualification-- Brindle.

Gait

The trotting gait of the Shetland Sheepdog should denote effortless speed and smoothness. There should be no jerkiness, nor stiff, stilted, up-and-down movement. The drive should be from the rear, true and straight, dependent upon correct angulation, musculation, and ligamentation of the entire hindquarter, thus allowing the dog to reach well under his body with his hind foot and propel himself forward. Reach of stride of the foreleg is dependent upon correct angulation, musculation and ligamentation of the forequarters, together with correct width of chest and construction of rib cage. The foot should be lifted only enough to clear the ground as the leg swings forward. Viewed from the front, both forelegs and hindlegs should move forward almost perpendicular to ground at the walk, slanting a little inward at a slow trot, until at a swift trot the feet are brought so far inward toward center line of body that the tracks left show two parallel lines of footprints actually touching a center line at their inner edges. There should be no crossing of the feet nor throwing of the weight from side to side.

Faults-- Stiff, short steps, with a choppy, jerky movement. Mincing steps, with a hopping up and down, or a balancing of weight from side to side (often erroneously admired as a "dancing gait" but permissible in young puppies). Lifting of front feet in hackney-like action, resulting in loss of speed and energy. Pacing gait.

Temperament

The Shetland Sheepdog is intensely loyal, affectionate, and responsive to his owner. However, he may be reserved toward strangers but not to the point of showing fear or cringing in the ring. Faults-- Shyness, timidity, or nervousness. Stubbornness, snappiness, or ill temper.

Marcia A. Bittner

1943–2019

Marcia Ardelle Bittner was born on November 19, 1943 in San Diego, California. After a courageous two-year battle with pancreatic cancer, Marcia left this earth on February 17, 2019, at her home, at the age of 75.

Marcia was a near graduate of San Diego State University. She worked at the Salk institute for Biological Studies in Torrey Pines, California, for 35 years. Soon after retiring, she moved to Minden, Nevada.

As a child, Marcia had a special gift with animals. She was a successful equestrian, participating in English riding, and won many events.

As a young adult, she fell in love with the Shetland Sheepdog. Her love for the breed grew as she became a professional handler. This led her to become an AKC judge of Shelties, which eventually led to her becoming a sought-after judge for the entire Herding Group, making her eligible to judge Best in Show. She was also approved to judge Standard and Toy Poodles, Papillons, and Junior Showmanship. She judged the Sheltie National in Tucson, Arizona, in 2010.

Marcia became a member of the ASSA in 1973 and became a Life Member in 2017. She served ASSA in many capacities, including as regional director and director at large. She also served as assistant chief ring steward at the ASSA National for several years.

Marcia instituted the ASSA Outstanding Service Award and was the first chairperson for that committee. In later years, she received that award herself.

She was also a 10-year member of the Reno Kennel Club and Northern Nevada and Sacramento Valley Sheltie clubs.

During our 35 beautiful years of marriage, Marcia and I bred and finished more 40 champions under the Tradewynd prefix. She will long be remembered for her love of purebred dogs.

—Larry Bittner, Tradewynd

Susan Elizabeth Brillhart

1950–2019

Susan Elizabeth Brillhart departed her earthly life on November 22, 2019, after a sudden, brief illness.

Prior to embarking on her Sheltie journey, Susan was an amazing mom to three beautiful daughters, Judy, Rebecca and Sharon. She instilled in them a love for the natural world and the people in it. She was funny and compassionate, and her home was always a welcoming place. She loved to travel and had visited every state but Hawaii.

After her girls were grown, Susan discovered the world of purebred dogs and found her passion and true calling. She acquired CH Teaberry Lane Royl Tycoon, ROM and sent him out as a Special and began Hartwyn Shelties. She owned and showed several other breeds but her heart always belonged to Shelties. She bred multiple champions and finished many more that she acquired from fellow breeders. Many of her dogs also had successful performance careers. She was a proud member of the ASSA.

Susan loved all of her dogs, but CH Hartwyn Marchwind In Cahoots, NAJ (“Colin”), CH Hartwyn Hostile Takeover (“Bentley”), and CH Foxglove Hartwyn I Like Ike, (“Ikey man”) were especially dear to her heart.

Susan was my dear friend for more than 30 years. We shared many adventures, both with and without dogs. We co-bred many dogs through the years. She had a kind, giving, and caring heart. She was always willing to welcome and help a newcomer to our breed or help a friend in need.

Susan, you will be greatly missed. Rest well.

—Chris Laughlin, *Keepsake Shelties*

Linda C. More

1942–2019

Linda was a staunch supporter of our breed for more than 60 years. Born into a family that had Shelties as family pets, she began attending obedience classes and competing in junior handling at age 12. She was bitten by the bug, and the rest is history.

For 20 years, Linda bred Shelties under the Severn prefix. Among the Severn champions were Spellbinder, Idle Gossip, Comedy Tonight, and Smoke On

The Water, who was Best of Winners at the ASSA National in 1981.

Linda was a successful professional handler for 20 years. She handled dogs of more than 60 breeds, representing every group, including numerous Best in Show winners. Linda won the Terrier Group at the Garden in 1988 with a Cairn Terrier. In 1989, she had the honor of being nominated by *Kenel Review* as the Best Female Professional Handler.

After retiring from handling in 1991, she was granted AKC approval to judge the Herding Group and Junior Showmanship. She attended law school, practiced law briefly in New Hampshire, and eventually went to work for the AKC in 1997. After retiring from the AKC in 2003, she resumed judging and officiated over the Sporting, Hound, Herding and Terrier Groups. She had the honor of judging twice at Westminster and three times at the ASSA National. She was well respected and a great ambassador for the Sheltie in the all-breed arena.

Linda joined the ASSA in 1971 and contributed to the organization as treasurer, board member, and Judges Education Chairman. She was eventually honored as a Life Member.

Linda truly did it all for more than six decades with style and dignity. The sport of dogs has lost an exemplary member, the Sheltie world has lost a devoted supporter, and we have lost a good friend of more than 50 years. Linda, we miss you!

—Tom Coen, Macdega

Sharon L. Parrish

1944–2019

Sharon Parrish died unexpectedly on October 6, 2019, after a very brief illness. She leaves her husband of 52 years, Jim; two younger siblings, Perry and Bonnie; and nieces, nephews, great-nieces and great nephews.

Sharon was born in Indianapolis, Indiana, to John and Lois Edenburn and shared a birthday with her dad. As a youngster, she was a good student and participated in school activities like band, glee club, and cheerleading. Outside of school she was active in 4-H, where she learned showmanship and fitting (grooming) by showing sheep, cattle, and horses. She also participated in many horse shows. Her dad, a veterinarian, enjoyed her help when tending to farm animals in the area.

In 1966, she graduated from Iowa State University with a Bachelor of Science degree in Zoology and married Jim. Most of Sharon's professional life was spent working in the pharmaceutical division of 3M. Her responsibilities included monitoring drug studies designed in hopes of eventual FDA approval.

Sharon had creative talents as well — knitting, crocheting, sewing, and even weaving on her own loom.

Eventually, she got the itch to return to animals and competition. Hesitant to take on the investment required for horses, she decided on dogs. She started in obedience with the couple's Doberman pup, but truly got hooked after acquiring her first Sheltie. She soon discovered that she preferred conformation to obedience and became an avid competitor, showing some of her own dogs as well handling dogs for others.

Sharon joined the ASSA 1984 and became a life member in 2017. She worked tirelessly for the organization in many capacities, including serving as president, recording secretary, and director at large, and editing many volumes of the *ASSA Handbook*. She also was the former Futurity chairperson and editor of the *Bulletin Board*. She served on the judges education committee and judged the ASSA Futurity in 2003 at the National in Lansing, Michigan. She was awarded the ASSA Outstanding Service Award in 2009.

The ASSA will truly miss all the things that Sharon did for the organization. She was totally devoted to the ASSA and to the breed.

—Bonnie Edenburn (sister) & Terry Jennings, Clearsky Shelties

Stanley S. Saltzman

1930–2019

In 1959, Stanley and Lynette Saltzman purchased a Shetland sheepdog puppy from J. Nate Levine. This bitch finished quickly, starting the prominent Catamount Shelties in Westport, Connecticut.

Stanley went on to be a member and eventual life member of Tri State Shetland Sheepdog Club. Long service to the American Shetland Sheepdog Club followed. Stanley served in various capacities including ASSA president from 1970–1974, vice president in 1975 and again in 1984, and Region 1 director from 1979–1981. Stanley

judged the ASSA National specialty in both 1976 and 1987. He was elected to ASSA Life Membership in 1994.

Similarly, Stanley served the American Kennel Club (AKC) in many capacities. He was the delegate with the longest continuous service (47 years), and his term predated any current delegate or present staff. He served as delegate of the San Francisco Dog Training Club and Longshore-Southport Kennel Club, for which he was also a longtime member, board member and officer. As an AKC delegate, he chaired the Ad Hoc Committee on Committees that proposed the standing rule in 1993 that led to the creation of the delegate committees. Stanley was a member of the Bylaws Committee from 1999–2005, an AKC Board member, and an AKC judge for almost half a century. In March 1983, the AKC delegates voted for a landmark initiative by increasing the number of groups from six to seven with the addition of the Herding Group. Stanley and Lynette pioneered this change.

You may never find a better dog man than Stanley. His service to the Shetland Sheepdog and dog clubs was unparalleled. But more important than that, he was Stanley. Wonderful husband, father, grandfather, and friend. Loved by all who knew him as a cheerful, gregarious, full-of-life man. He will be missed by so many.

—Jennie Hynes, Rosmoor Shelties

Lorraine Still

1925–2019

Lorraine Still became active in the sport of purebred dogs in 1947. Fascinated by the books of Albert P. Terhune, Lorraine and her husband, Al, got their first Collie and joined Eugene Kennel Club. After graduating from University of Oregon in 1948, with a degree in Art, Lorraine began showing in conformation and obedience. When she had her first litter in 1951, she registered her kennel name, Robrovin, honoring Robin and Rover, her childhood pets.

In 1949, Lorraine joined the Collie Club of America. In 1961, she wrote and illustrated *Illustrations of the Collie, His Character and Conformation*. That year, Al and Lorraine purchased their first Sheltie, who became CH Robrovin Treasure O'Jubilee, CD. Treasure produced three champions and her progeny continued at Robrovin for ten generations, ending with Robrovin Collect On Delivery, HAS-s.

Thinking of her Collie, CH Robrovin Carmen Jones, and Sheltie, CH Robrovin Johnny Appleseed, Lorraine said: "I had produced Best of Breed and Group-winning Collies; I had produced Best of Breed, Group-winning and a Best In Show-winning Sheltie, and I had created the Collie illustrated standard, so I was pretty confident that my judging application would be approved." Indeed, it was. She began judging in 1980, and her last specialty assignment was in July 2017.

Lorraine's dedication to dogs brought her into an activist role. Lorraine joined Responsible Dog Breeders and was very active with NAIA defending against animal rights extremism.

In 2017, Lorraine was in a car accident and, unable to continue living alone, placed her last Sheltie and went into a care facility. Her books and drawings have been donated to the Oregon State University Library.

Lorraine will be remembered for her artistic talent, her encyclopedic memory, her tenacity with her breeding program, but mostly for her active role in recognizing the challenges we face in legislation.

—David Calderwood, *Kensil*

Shirley Boniface

1928–2020

Shirley Boniface (BeBoni) had a long-time love affair with Shelties beginning in 1958, when she and her husband, Paul, acquired their first Sheltie from Bea Burdick of E-Danha Shelties. The foundation for BeBoni Shelties, Tambahrae Cinnamon Toast, arrived in Alaska bred to CH Diamond's Robert Bruce, ROM, ROMC, producing the first of many champions to come over the years.

Shirley and Paul were involved in many different clubs in Alaska and went on to be founding members of the SSC of Anchorage and a Collie Club in Alaska. Shirley's involvement wasn't just on a local level as she served as Treasurer for ASSA long before computers made communication easier.

Shirley was a mentor to many new and long-time breeders in Alaska and opened her home to anyone who wanted to visit and talk dogs.

I got to know Shirley and her daughter, Renee, when I started visiting Alaska several years ago. I looked forward to seeing her each year and was disappointed when COVID-19 cancelled my visit in 2020. Shirley's passing leaves a hole in the Alaskan Sheltie community and those who knew her. She will be missed.

—*Onnaka Dudley, Narnia*

Larry Brunner

1936–2020

My long-time friend of nearly 40 years, Larry Brunner, passed away in July 2020 at the age of 83. I first met him and his wife, Pat, at the 1981 National. My first impression was that he was a fun guy with a serious side. As we came to know each other better over the years, that proved to be a good assessment.

Larry was committed to the breed and the ASSA. We worked together at many Nationals. He was no stranger to hard work and making things happen. After the day's work was done, he was ready to socialize. Yes, we spent many fun times in the hospitality suites or hotel

lounges debating and bringing closure to many issues over a cold beer.

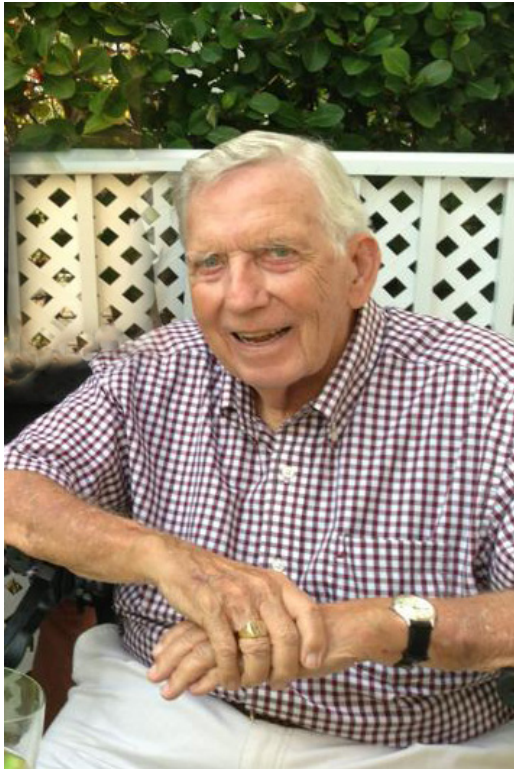

Larry's record of service to ASSA and his local club, the Western Massachusetts SSC, are well documented. He was clearly the glue that held his local club together from the start, serving as its president and show chairman and handling many other committee duties. For the ASSA, his service included the positions of regional director and national show chairman. I think that those individuals who served serving on the ASSA board of directors with Larry, recognized his business savvy and way of personal persuasion to negotiate issues to satisfactory settlement.

Larry was approved to judge Shetland Sheepdogs and, undoubtedly, the highlight of his judging career was judging Best of Breed at the 2008 ASSA National Specialty.

Larry was predeceased by both his wife, Pat, and his daughter, Gail. Pat and Larry were well-known breeders under the kennel name Prinhill in Charlton, Massachusetts. Their most famous dog was probably the blue merlem CH Shadowhill's Jazz on Prinhill, a.k.a "Garfield."

Larry was a great guy who loved the dogs, worked hard, was generous to a fault, and would be your best friend. He will surely be missed by those who had the privilege to know him.

—Al Bianchi, *Chelsea Shetland Sheepdogs*

Robert Carpenter, M.D.

1929-2020

Bob Carpenter became involved with Shelties in the late 1960s, and his passing is a real loss to the breed. He and his wife, Gail, established their Woodbridge Shelties in Clarence, New York, outside of Buffalo. The first of their many champions was the Peter daughter, CH Woodbridge Gaelyn of the Glen.

Woodbridge bred some very notable Shelties, including CH Woodbridge Mystic Lace, owned by Lori and Willie Wilson, Best of Breed at the ASSA National in 1991

under Katie Gammill. Their homebred, tri-color male, CH Woodbridge Blackgammon, was an all-breed Best in Show winner, shown by their young daughter, Katie. The sable bitch, CH Woodbridge Anything Goes, was the 1998 ASSA Futurity winner under Peggy Haderlie and followed that with Best of Breed from the classes under Lyn Broussard at the largest CSSC National ever held.

Bob joined the ASSA in 1974 and served in many capacities, including as President in 1983. In 2002, Bob received life membership, the club's highest honor.

Bob and Gail were a driving force in the Western New York area and mentored many newcomers who became successful breeders still active today. Among them are Debbie Tessmann-Van Leaven, Lori and Willie Wilson, Karen Wnek, Debbie Wyman and Samantha Burriss. In the late 1980s they founded the Western New York SSC, which is still going strong, holding two specialty shows every June.

Bob, also a popular judge, was generous with his time and his knowledge. He represented all that is best in the world of Shelties and he is greatly missed.

—Tom Coen, Macdega

Brian Cleveland

1955–2020

I first saw Brian at the 1979 National in Milwaukee. He showed a young dog, Willow Wand Benevolent Touch, by CH Phildove Benevolent Anthony x CH Willow Wand Touch O' Gold, ROM, bred and owned by Brian and Helen Hurlbert. This dog became the first modern bi-blue champion in America, taking reserve winners dog under Mary Van Wageningen at that National and finishing with four majors.

Many years later, Brian had CH Rosmoor The Apocalypse, ROM, standing at stud. We quickly became close friends, bonding over our mutual love of the Sheltie.

Like me, Brian grew up in the breed. As a child, he spent many weekends and summers with his Aunt

Helen Hurlbert of Willow Wand. That kindled an interest in Shelties that continued some 50-plus years. His passion and dedication to the breed ran deep. He freely shared his knowledge with all.

Brian owned and bred many virtuous shelties, but his favorite was Am./Can. CH Bertlin Top Gun II, ROM/ROMC. Brian acquired this beautiful sable dog as an adult from Joyce Kern. He achieved his ROM and ROMC while with Brian and can be found behind many current sable families.

Brian joined ASSA in 1979. He served ASSA in numerous ways and was granted the ultimate honor of Life Membership in 2011.

Brian was passionate about judging. He began judging in his 20s and judged numerous Sheltie and Collie specialties. He was humbled to be twice selected by his peers to judge the ASSA National — Bitches in 1994 and Best of Breed in 2018. His last assignment was days before his death at Chicagoland SSC, a club he'd joined as a teen.

I will miss my dear friend. Brian was intelligent, kind, loyal, and fun. He had obstacles but never complained or was deterred from his goals. He leaves an incredible legacy of information, talent, interest, and ability to inspire others. I truly hope he is in a better place with past friends, both human and canine. Brian, you leave behind a huge fan club!

—Jennie Hynes, Rosmoor

George Danforth
1932–2020

We said good-bye to George Danforth (Romaine) on March 3, 2020. George was laid to rest with his wife, Tatsuko, who preceded him in death in 2013. In a year of pandemic, we celebrated George's life in a private service at Missouri Veterans Cemetery in Higginsville, Missouri, with honors as Sr. Chief Petty Officer with 24 years in of service in the U.S. Navy.

Those in the breed long enough understand the legacy that continues through George's beloved "Lance" — CH Romaine Sportin' Life ROM/ROMC — who can be found in the pedigrees of many current Shelties. Lance was out of an inbred Peter daughter, CH Beltane Romaine, bred to Fair Play of Sea Isle. George handled him to numerous accomplishments in the ring, and he also became a top producer. He was the #4 Top-producing Sire for many years, until quite recently, but he still remains tied for #5. He sired 56 champions, including three Register of Merit sires

George was a charmer and could make anyone laugh and smile with his wit. In our eyes, he was always the best-dressed gentleman. He was loved here on earth by many and, like so many others that have gone from us in the past year, he is now greatly missed.

—Michelle Toczek, daughter

Nancy Hildreth

1933–2020

When I think of Nancy, I think of her wonderful laugh and twinkling eyes. She found joy all around her: in her family, her friends, and especially her beloved dogs. Best of all, she wanted to share that joy with the rest of us. It helped that, somehow, all of the Cindahope Shelties seemed to share Nancy's sense of humor!

I met Nancy and her husband, Dick, through the Western Massachusetts Shetland Sheepdog Club in the early 90's. They were always open to conversation and helpful ideas. Our friendship was further cemented when they gave Am/Can Ch. Cindahope Trade Mark to my daughter, Megan, to show in Juniors. Little did we know that we weren't just bringing home an outstanding Juniors dog; the Hildreths came along as part of the deal! Nancy and Dick were Megan and "Mark's" biggest fans, and they always made time to cheer them on in the Juniors ring. Later, they would continue to promote "Mark" and his get and sent young dogs for Megan to show in the breed ring.

The Cindahope breeding program was very successful. Nancy, along with Dick and, later, their daughter, Liz, nurtured an outstanding tail dam line, ten consecutive generations of AKC champions. The Cindahope "stars" included 43 bred and/or owned champions, several Century Club members, and the 1997 ASSA BOB winner (from the Veteran class), CH Cindahope Golden Girl. While breeding and showing the dogs, Nancy worked as a kindergarten teacher in the Framingham, Massachusetts, public schools for 25 years. She was a mother of five, grandmother of six, and great-grandmother of six more.

Nancy made many contributions to the fancy through the years, reflected in her honorary lifetime memberships in the Colonial and Granite State Shetland Sheepdog Clubs. She was a founding member of the Western Massachusetts SSC, a Framingham District KC member since 1975, an ASSA member since 1975, and served at various times as ASSA's Region I director and judges' education chairperson.

Megan and I miss her and are so grateful to have known her. Thank you, Nancy.

—*Connie Nelson, Rabbit Run*

Amy Langhorst

1936–2020

Amy was a lifelong sheltie lover, breeder, and competitor, well known for her Starhaven Shelties.

She and her husband, Carl, got their first Sheltie shortly after getting married in 1955. Gay Lady V earned her UD and was often High in Trial. “Lady” went back to Pocono, Walnut Hall, Noralee, and Timberidge lines and was behind many of their subsequent shelties.

Amy and Carl finished over 100 breed champions, including CH Starhaven Black Fame, CH Starhaven Black Citation, and CH Starhaven Ralph Lauren. Amy and Carl were especially known for their beautiful blues, many of whom came down from CH Banchory Deep Purple, ROM, or Banchory Silver Spotlight, ROM. The blue bitch CH Starhaven Rainbow Brite was RWB at the 1989 ASSA national, and Carl’s favorite, CH Starhaven’s Alexandra, was WB at the 1994 national. Starhaven also produced many top performance shelties such as OTCH Starhaven’s Now or Never, who was HIT twice at the ASSA national and the first to score a 200 while doing so.

In 1999, Amy and Carl retired from Shelties to focus on showing her Arabian horses. But by 2004, missing the Sheltie world, she was able to acquire a bitch out of CH Starhaven’s Shine On. Amy focused primarily on performance with her post-2004 dogs. That first bitch became OTCH Starhaven’s Divine Ms Janel, UDX3, OM3, RN, AX, AXJ, NAP, NJP, (pts). Her last competition dog was CH Karastar Jedi of Starhaven, UDX, OM1, BN, OA, OAJ, MXP3, MXPB, MJPB PAX. “Jedi” sired her final litter, born in 2010 (x CH Starhaven’s Divine Ms Pru, CDX, PCDX, RN, OA, OAJ), producing an OTCH 8 (and ASSA HIT winner) and a MACH 2.

Amy could talk dogs for hours, and her wealth of knowledge and sense of humor will be sorely missed. Her impact on the breed will be felt for generations to come.

Sharon Palmer

1946–2020

Sharon passed away in October 2020 after a brave fight against cancer. A 50-year member of the Canadian Kennel Club, she was active in numerous competitive venues. Over the years, her dogs have excelled in obedience, agility, rally, conformation, flyball, and herding. And, as she developed mobility issues, her last two Shelties, “Tyler” and “Sky,” were also trained as service dogs.

Due to her limited mobility, Sharon worked at least 30 feet away from her dog in the agility ring. She and “Sky” represented Canada three years in a row at the ParAgility World Cup (PAWC), a high-level agility competition for handlers with disabilities. The team brought home a number of medals — a bronze, four silvers, and two golds — and finished second overall in 2015.

She and her dogs were also active in herding. In 2014, “Sky” not only qualified for PAWC, he also qualified for the Canadian Herding Championships and finished fifth in both ducks and sheep. “Tyler” and “Sky” were two of just five Shelties to earn the Australian Shepherd Club of America Working Trial Championship title for herding since it was first offered in 1957.

Sharon led the CSSA VC/VCX Awards program and was a crucial contributor to its ongoing development for many years. She also was instrumental in the establishment of the Association of Working Shetland Sheepdogs (AWSS) and served as titles director for many years.

She was a role model and shining example for many and will long be remembered as someone who demonstrated the versatile abilities of the breed. She is greatly missed.

Catherine Polling

1931–1920

Cathy loved her Shelties, Heather and Scotty, and her Sheltie friends. She was a member of the Phoenix Field & Obedience Club in the early 1990s, where she competed with her much-beloved “Heather,” Solaire Heather Moon Mist, CDX. As they earned their CDX obedience title, Heather was often in the ribbons.

Cathy enjoyed competing in both obedience and agility in the Phoenix, Arizona area for many years. She was thrilled to be able to attend the 1998 ASSA National in Tucson, where Heather competed in agility and passed her herding-instinct test. Cathy wore the souvenir T-shirts from that national for years.

Heather journeyed to the rainbow bridge in 2005, and Cathy is now reunited with her. Scotty is currently in a wonderful home and now has his Therapy Dog title. We are sure she is beaming about that; even though she got too frail to go to classes, she did continue to train Scotty at home.

Outside of dogs, Cathy played piano and enjoyed being in recitals. She was a much-loved grandmother and great-grandmother and is very much missed by her family and friends. The Lipski and Polling families donated an obedience trophy in her memory for this year’s national specialty.

Marilyn Schultz

1926–2020

Marilyn Schultz (Arilyn) and her husband, Charles, brought home their first Sheltie on April Fool's Day, 1961. It was the fulfillment of a longtime dream for Marilyn. "Twenty years earlier, I used to accompany three friends to all the shows around Detroit where they were showing their Collie and two Shelties in Obedience," she recalled in a 2003 interview. "I fell in love with the Shelties and dreamed of the day I could have one and go off to the shows."

Off to the shows she went, earning a CDX on that first Sheltie, Hilmar's Sing Along. She became a charter member of the SSC of Greater Detroit in 1963 and, after moving to Ohio, a member of the Cleveland SSC in 1967. Even after beginning to breed and show in conformation, she continued to compete in Obedience. Recounting one of her most memorable experiences, she recalled the day in 1969 when her dog, "Harvey" (CH. Arilyn Pioneer, CD) took reserve winners dog at the Detroit specialty under judge Ariel Sleeth, "and then we literally ran to the Obedience ring and proceeded to win Novice B with a score of 196. I was so proud he could do it all without missing a beat."

Marilyn was an AKC-approved judge for 16 years; she stopped judging in 1992, when Charles was diagnosed with a terminal illness.

Outside of dog shows, Marilyn and Charles enjoyed travel, spending time in the garden, and golf. They participated in couples golf leagues together; Marilyn also participated in women's golf leagues and continued to play with friends until she was 85. Her daughter recalls her love for nature and the beautiful gardens she created.

Marilyn was predeceased by Charles, her husband of just under 50 years. She is greatly missed by her son, John; daughter, Barbara; and grandson, Jason Dufner.

Ann Silverman

1950–2020

Ann Silverman (Encore) was an ASSA member since 1991 and an active member of the Blue Ridge Shetland Sheepdog Club since 1998. She held many Board positions in the Blue Ridge SSC including treasurer. She also served as treasurer of Breakaway Action Dogs, Inc., and was also a member of the Shetland Sheepdog Club of Greater Baltimore.

She graduated from the University of Maryland in 1972 with a degree in Business Administration and received her Master of Science in Management from Frostburg State University in 1985. Prior to her retirement, she was employed by Frederick County Government in Accounting, then served as Assistant Director for Frederick County Head Start.

Ann loved her Shelties and competed not only in conformation, but also in performance, where her dogs held many different titles in Agility and Rally. Her kennel name was Encore Shelties and she was an AKC Breeder of Merit. At the time of her death, she had been looking forward to attending CPE trials in Ohio with her dog, Heart Lake Encore Sophia Loren, OA, AXJ, OF, SCN

You could always count on Ann to give honest feedback. Ann was a friend to many, her contribution to all the clubs she was involved in and to the Shetland Sheepdog breed will be greatly missed.

Julie Desy

1946–2021

Julie Desy's passion for shelties spanned more than 60 years. She finished her first champion at the age of 12. As a small hobby breeder she went on to breed or co-breed nearly 60 more champions under the Ilemist prefix, including four Register of Merit sires:

- Ch Ilemist As You Like It, ROM
- Ch Ilemist Gorgeous George, CD, ROM
- Ch Ilemist Impossible Dream, CDX, ROM
- Ch Jade Mist Memorandum, ROM

Her devotion to the breed and the sport extended well beyond her own kennel. She was an accomplished handler and an active and long-time contributor to the ASSA as well as a dedicated educator and mentor to fellow breeders and to

judges.

As a handler, Julie finished well over 300 champions for clients and successfully campaigned seven Century Club winners:

- Ch Starphire Lochlyn Takin Over, 3CC (359 BOBs)
- Ch Brandywine Imprint, 2CC (215 BOBs)
- Ch Sundial Midas Revelation, ROM, 2CC (233 BOBs)
- Ch Willow Layne Makin Out, ROM, CC (138 BOBs)
- Ch Norwood Nenana, CC (101 BOBs)
- Ch Marikohill Sunblest Captiva CC (106 BOBs)
- Ch JusDandy Devine Ms M, CC (119 BOBs)

She was a 50-year member of the ASSA and served our organization faithfully since joining in 1968 — as a board member (1968–1970), recording secretary (1989), life membership committee member, member of the judges' education committee (2008–2021), and judges' mentoring program (2006–2021). Her greatest honors were to receive the ASSA's inaugural sportsman award (2008), to judge the Futurity (1991), to be inducted into life membership (2015), and to judge the first veteran sweepstakes (2019).

Perhaps Julie's greatest gift to the sport was as an educator and mentor. Formally, through her *Objective Evaluation* seminar and informally, in countless ways, she inspired, guided, challenged and supported generations of sheltie enthusiasts. That will be her enduring legacy.

Gracia Landes

1923–2021

Gracia Landes (Lancia) began in Shelties in the late 1960s in Missouri. Her first dogs came down from BIS/BISS CH Halstor's Peter Pumpkin, CC, ROM and CH Romaine's Sportin' Life ROM. After she and her husband, Lawrence, moved west to Oregon, she incorporated both Cherden and Banchory lines, creating a line that stamped that soft Sheltie expression. Breeding and showing Shelties for more than 40 years, she was a lifetime member of the Clackamas Kennel Club as well as a member of the Kansas City Kennel Club,

the White Shetland Sheepdog Association, and the American Shetland Sheepdog Association.

Gracia was one of those people whose influence was ever present but ever so subtle. She cared deeply, but rather than speaking of how she felt, she showed it. She lived her love — love for friends and family, love for her Shelties. So many people have spoken of how Gracia made them feel, and it was never in big showy ways. It was in simple acceptance, in sharing the things she loved with us, in making time for us.

Going to a show with Gracia was always a learning experience. Sometimes, the learning was about a grooming tip or an evaluation of a dog, but more often than not, it was about relationships. Getting to see her interact with life-long friends, people she got to see at shows, the greetings, the hand-holding, the smiles, taught me more than words ever could about what matters in life. And always there were stories — stories of other shows, stories of dogs long gone, stories of friends either far away or gone but still cherished. Gracia was a woman who treasured the important things of life: the relationships, the connections, the joy in her Shelties' eyes, the training, the mentoring. She will be greatly missed.

Frank Tresnak

1953–2021

Frank was an “all-rounder”—always around when you needed him.

He loved his wife, Debbie, and their dogs to the ends of the earth! He helped bring reality to Debbie when she wanted to show their lovely and well-bred Shelties across the land. They joined and explored the RV world together. They traveled many places together, including a special trip to the ASSA National in Oregon.

When things got tense at showtime, and Deb needed something “immediately,” Frank would be Johnny on the spot. He would always say, “I love her to death, but God...” and then shake his head with a warm smile! He was in the ring when needed, with Deb guiding him, always giving it his all.

He could always cheer you up with his smile and the ever-present twinkle in his eye.

He could and did fix anything and everything. He was like a Boy Scout — always prepared and never without a tool or machine that could tackle and remedy the problem. If needed, he would design, invent, and create a solution when one was not readily available.

Although he will be deeply missed on this earth, Heaven received a special gift when Frank was called to “God’s workshop,” where, I believe, he will continue to design, invent, and create solutions for all mankind.

Diane Wolcott
1940–2021

Longtime ASSA member Diane Wolcott (O' the Glenn Shelties) passed away February 22, 2021. She joined ASSA in 1976 and contributed to the club in many ways, being awarded the ASSA Outstanding Service Award in 2014, truly one of her proudest moments. She was director at large, chaired or led the symposium program and regularly served on several other committees, including Trophy Solicitation, Judge's Hospitality, and Nominating. She assisted her husband, Dick, as national chairman from 1980–1986, served as a ring steward and ringside mentor, and was, most recently, the smiling face at the catalog table.

She also contributed to her local clubs. She was a founding and lifetime member of the Midlands SSC and a lifetime member of the all-breed Nebraska KC. She and Dick will always be remembered for the good times at their summer picnics/fun matches. An especially fun memory was the club match Diane judged on her 50th birthday. When Dianne Krantz put her dog on the table, it was holding a black rose in her mouth for the judge! Diane was surprised to say the least, and even more so when each and every exhibitor handed her a black rose that day!

Diane was breeder of the 1971 ASSA Winners Dog. She also bred and finished several other Sheltie champions. As a professional handler, she finished many Shelties, Collies, and other breeds.

She and Dick loved to travel and spent many years crisscrossing the United States and Canada. She was an avid photographer and her pictures are truly breathtaking. She was very artistic and became an expert at interior design, painting, and all things art related. Diane was also an excellent cook.

My husband and I bought our first Sheltie from Diane and Dick almost 50 years ago, leading to a lifetime of friendship and Sheltie enthusiasm. We experienced memorable dog shows and vacations together, but what I mostly I remember is what a warm host she was and how she made everyone feel welcome and wanted. Her home was always open.

Sheltie Fanciers

Take a few minutes to go to www.offa.org/surveys/survey_sheltie.html and complete the Shetland Sheepdog health survey. The OFA Health survey is one of the few ways researchers can identify which breeds and which problems deserve their attention and money. The data collected from this survey also helps to determine which studies receive funding from ASSA and the AKC Health Foundation. Our problems can only be addressed if we let the world know what they are, so please go to the OFA website and complete the Shetland Sheepdog Health Survey!

Sincerely,

ASSA Health Committee

Invitational Showcase

An exciting, non-competitive event, showcasing the top-winning Shelties in conformation events (specialty and all-breed) based on the number of Shelties defeated in BEST OF BREED COMPETITION ONLY during 2020.

A Peoples' Choice Favorite and a Runner-Up will be voted on by spectators attending the event.

Ballots will be distributed to spectators before the Showcase and will be collected the night of the event.

Late ballots will not be counted. The Peoples' Choice will be announced prior to the start of Winners competition.

This list is defined exclusively by the number of Shelties defeated by virtue of winning Best of Breed either at specialties or all-breed shows.

Best of Breed Ranking Source – The Canine Chronicle Breed Statistics 2020

Best in Specialty Rankings Source – Dr. Robert Miller's Statistics 2020

Congratulations and Thank You to all the participants that are exhibiting in the Showcase.

- 105 GCHP Homespun Casual Blues "Calvin" (108 + 108 = 216)
Owner/Breeder: Julie Iverson DVM
MBISS GCHP CAN CH Homespun Casual Blues NA OAJ NF PT VCX MAOM CC ROM
I'm so proud of Calvin. He has succeeded in multiple venues and enjoys life to its fullest; but more importantly, he's just my Calvin who holds a very special place in my heart. ASSA National RWD at 10 mos old, Century Club with 136 BOB, 38 BISS (14 from the Veterans classes), ROM sire of 19 champions, 4-time AOM winner, first GCHP VCX Sheltie, first recipient of the OFA Champion of Health Award, BOS Westminster, BOB Royal Canin AKC National Championship, and Peoples' Choice in 2018.
- 106 GCHS Coastalviews Blueberry Hill "Hillary" (98 + 98 = 196)
Owners: Lyndee Krivanek, Karen Linkletter
Breeder: Judy Tulloch
GCHS Can CH Coastalview's Blueberry Hill, Sire: GCH Linkridge Blackberry ROMC, Dam: Can GCH Coastalviews Winter Shades ROMC. This is the third year in a row that Hillary has been in the Top 20 for Shelties, and we are so proud of her. In 2020, she added three BISS to her record and then COVID hit. She has accomplished much in her career: RBIS, multiple BISS, Award of Merit at ASSA under Brian Cleveland, Award of Merit at Westminster, with two litters of puppies in between! Thanks to Nick Joines and Joel McCarty for handling Hillary to most of her wins, to Judy Tulloch for breeding and sharing her with Karen Linkletter and me. She has been a wonderful representative in the US for her sire, Blackberry. We are privileged to have several Hillary daughters to carry on her legacy; and we hope to have another Hillary litter in 2021, so her appearances will be limited for the immediate future.
- 107 GCH Lynphil Pretty Little Liar "Kitten" (86 + 86 = 172)
Owners/Breeders: Kim Wendling, Phil Wendling

- 108 GCH Rosmoor Everlasting “Potato” (88 + 70 = 158)**
Owners: Natalie Hollinger, Jennie Hynes
Breeders: Jennie Hynes, Rose Tomlin
 When Natalie got married in 2018, Jennie gifted her with the opportunity to lease Potato for Natalie’s first Sheltie litter. After raising her puppies, Potato returned to Jennie until May, 2020 when Jennie gave Natalie the opportunity for Potato to return for a more permanent stay. Potato made her show debut at specialties that fall where she finished her Grand Championship with her first BISS win. She then went back-to-back BOB at another specialty weekend. In just one month of showing, Potato became the #13 Sheltie for 2020! We couldn’t be more proud of our favorite starch.
- 109 GCH Blue Heavens Tequila Sunrise “Patron” (77 + 77 = 154)**
Owners/Breeders: Lisa Graser, Lloyd Graser
 MBISS GCH Blue Heavens Tequila Sunrise, “Patron” is a multiple specialty-winning Grand Champion. He was the 2018 ASSA Best in Futurity under breeder judge Jennie Hynes and Reserve Winners Dog under breeder judge Hector Hector. He went on to finish by nine months of age with three specialty majors. He is the sire of the 2020 ninth-ranked Sheltie, MBISS GCH Blue Heavens Paloma from our very first litter sired by Patron. Patron is sired by CH Blue Heavens Blackhawk out of Blue Heavens Mimosa.
- 110 GCHS Lochlyn All Jacked Up “Brantley” (80 + 71 = 151)**
Owner/Breeder: Kathy Wilkins
- 111 GCH Orion’s Jovana Of Kismet “Joey” (83+ 45 = 128)**
Owner: Nancy Rainosek
Breeders: Guy Mauldin, Thelma Mauldin, Nancy Rainosek
 MBISS GCH Orion’s Jovana of Kismet is by CH Kismet’s Shogun ROM out of RBIS GCH Kismet’s Diamonds in the Sky of Tradewinds. Joey has brightened my world from the morning she was born. She was BISS from the classes and has continued with additional BISS and multiple group placements. Joey has a zest for life that shows both inside and outside the ring. When she’s not at the shows with her favorite handler, Mendy Gleason, she is my house companion. Looking forward to her future.

**2020 TOP-WINNING SHELTIES – BASED ON THE NUMBER OF SHELTIES DEFEATED

Owners: Karen Hannah, Paul Hannah
Breeder: Bella Thompson
- 113 GCH Kencherry’s Z Of My Last “Z” (218)**
Owner/Breeder: Hiroko Hiyama
 Julie Desy finished Z’s US championship in 2018 with multiple specialty breed wins. In 2020, he returned to the States as her special. From Jan to Mar he won 11 BOB wins including two BISS and a Herding Group 1. He ended the year as the #6 Sheltie in breed standings and #7 in all-breed standings. Z is sired by Am Can CH Laureate Homage out of Kencherry’s Lovely My Girl FCI. I would like to thank those who helped and supported me with Z.
- 114 GCH Blue Heavens Paloma “Paloma” (129)**
Owners/Breeders: Lisa Graser, Lloyd Graser
 MBISS GCH Blue Heavens Paloma, “Paloma” finished her championship in eight shows with four specialty majors and a Best In Specialty win from the classes. - 115 GCHB Jory’s Double Delight “Jenna” (110)**
Owners: Jody Babbitt, Madison Schlagel
Breeders: Jody Babbitt, David Harper, Jennifer Harper
 Jenna is a fun dog who loves to show. This year she added Junior Handling with Madison Schlagel. Jenna has done everything we have asked of her. She is a multiple group winner, finishing her Silver Grand championship this year and also her Best in Specialty Show title. We could not be any more proud of her.

Owners/Breeders: Tracy Robinson, Ni Yadong
- 117 GCHS Vision Allure Love “Lover” (95)**
Owners: Catherine Caruso, Gough Gao
Breeder: Lin Jie Chen
 We are honored to have this wonderful big boy, who from an early age showed great talent inherited from his great sire Vinnie. Thanks to Julie Desy for completing his American championship, to Kim Aston and Pete Culumovic for completing his Canadian championship, to Lucy Chai for completing his China Grand championship, and to Pete Denbow for completing his American Grand championship and Top 20. As his name, we love him for everything he is.

- 118 GCHG Jana Armitage Freelance "Rooney" (87)**
Owner: Nancy Porta
Breeders: Ellen Ball, Nancy Porta
 Sire: CH Sirio Chillin At Mistybrook, Dam: CH Armitage Jana Hat Trick ROM
 "Rooney," RBIS MBISS GCHG CH Jana Armitage Freelance FDC AX OAJ NF CGCA CGCU TKN, as his titles show, exhibits a most biddable temperament and versatility of the breed. When not actively showing, Rooney lives as a treasured companion and enjoys nursing home visits. With his time off from conformation shows (COVID-19 and handler injury), Rooney acquired his AKC Farm Dog Certified title. Now that handler Zana Friend is recovered from a broken leg, she and Rooney hope to add a few more Grand points to complete his Platinum status. Even with limited showing this year, Rooney held #14 ranking in the breed.
- 119 GCHB Darmil Ain't No Saint "Charlie" (74)**
Owners: Heidi Jacobson, Peter Jacobson
Breeders: Carol Howell, Heidi Jacobson
 Charlie's career started when he won the 12-18 class at the Fredericksburg National and quickly finished his championship thereafter. However, due to an auto accident, Heidi was unable to show; so for three years Charlie stayed home to care for her. (Charlie gives excellent hugs!) In 2019 the team was back together. Charlie finished 2019 & 2020 as the #1 Owner-Handled Sheltie! He has humbly been recognized six times as Owner-Handled Best in Show and twice as Owner-Handled RBIS. In 2020 he was awarded a Group 2 at the Royal Canin Owner-Handled Finals. Heidi is very blessed to be owned by this special boy!
- 120 GCHB Lynnlea's Fire In The Sky "Sky" (73)**
Owner: Waynette McTague
Breeders: Dorothy Christiansen, Raymond Christiansen
- 121 GCH Blackmyst Sleeping Beauty "Aurora" (73)**
Owners: Tonni-Sue Keinz, Rachel Lucas
Breeders: Lisa Brodsky, Rachel Lucas
 Sire: GCHS Rosmoor Afterglow, Dam: GCH Kell Delta Blues. Aurora has been simply a "dream." She has flown through the classes to her CH and GCH! With the National being canceled last year, she missed her futurity debut but made a mark like only she could in 2020. She is not only beautiful but smart as well. She started her agility career early in 2021, has her NA and NAJ titles, and will continue in both agility and conformation venues. We simply adore her.

**2020 TOP-WINNING SHELTIES – BASED ON THE NUMBER OF SHELTIES DEFEATED
 BISS - SPECIALTY SHOW WINS**

- 122 GCHP Solange Valedictorian "Sage" (70)**
Owner/Breeder: Linda Nicholas
 We are so proud of Sage for qualifying for the Showcase this year as a 10-year old. He showed in just 2 specialties this year and won BISS in both from the Veterans classes. He was so happy to be back in the ring, he acted like a puppy. Sage has had a wonderful career, achieving an all-breed BIS, ASSA Select Dog, and Century Club membership. He has sired 35 American champions, as well as an ASSA Best of Breed and Winners Dog. Best of all, he is just a delightful dog to live with.
- 123 GCHS Westar's Run For The Monay "Cash" (64)**
Owners: Linda Bianco, Michael Bianco, Mark Hersman
Breeders: Karen Coombs, Mark Hersman
 Cash is a special Sheltie, who at 12½ years of age is still actively showing in Obedience and Rally and in Conformation as a Veteran at specialty shows. He has earned CDX, BN, RI, CGCA, and TKN titles. He is also a MBISS winner, a two-time ASSA Award of Merit winner, and has 28 Best of Breed wins. I want to thank Mark Hersman for sharing this beautiful boy with me. Cash is my "heart dog" and I treasure every day we spend together.
- 124 GCH Breyston's Divine Design "Candice" (59)**
Owner: S Kimmel-Lines
Breeder: Patricia Dody
 GCH Kismet's Don't Mess With Texas ROM X Allusion Classy Lass. She had a broken leg as a puppy, but that didn't stop her. In 2012, I asked my mentor, Guy Mauldin, if she was worthy to go to the National. She proved him right by winning her 9-12 Month class & became my first home-bred champion later that year. After having a litter that produced 2 champions, she earned her Grand championship. Her third champion came in a later litter. Last year as a veteran she entered the ring again and earned multiple BOBs in specialty shows. She will always be one of my heart dogs.
- 125 GCH BranGay Night Fall "Reese" (56)**
Owners: Nancy Craig, Gayle Eads, Cendy McVoy, J McVoy
Breeders: Brandol Eads, Gayle Eads

126 GCHB Belmark Sticker Shock "Quake" (53)
Owners: Becky Bucata, Sharon Shutte
Breeders: Bella Thompson

127 GCHB Solange Suggestive "Sydney" (50)
Owners: Jane Howard, Richard Jander
Breeder: Linda Nicholas

Sydney was shown only two weekends, due to our new normal, but was recognized for her qualities. She was awarded a BISS, 2 specialty BOS, and two Specialty Selects. Outside the ring, she is my beloved friend, a great mother, and a wonderful ambassador of our breed for all the people we meet on the streets of Chicago. I can never thank her breeder, Linda Nicholas, enough for entrusting this special girl to me. The 3-month-old puppy I met matured into a very special family member. Sydney's sire, GCH Dan Dee One From The Heart, Sydney's dam, GCHS Solange Significant.

Gigi is Rushwind's "first" girl. She is the first blue merle girl bred by Rushwind and the first of our Shelties to earn a specialty Best of Breed. The first time she went in the ring with her handler, Joe McCarty, was the time she won breed at the Ohio specialties. She is the first Rushwind Sheltie to be honored to qualify for the National Showcase Spectacular. We are looking forward to an exciting show career with her!

FUTURITY

Eligibility of all dogs entered in these stakes shall be subject to the following rules:

1. The Futurity Stakes are open to litters where the breeder of record is an ASSA member. Each ASSA member/member household may nominate only ten (10) owned or co-owned bitches per Futurity year. The bitch's nomination must be postmarked on the envelope before the litter is born. The Futurity is held on the day before the National and each puppy must be entered in a regular class at the National. Put "Futurity Class" and age division in the box on the entry form for "Additional Class". There is no additional entry fee for the Futurity Class.
2. Starting with the 1995 Futurity, there is no ineligible zone. All litters nominated for bitches that will whelp after the closing date of the prior Futurity & before the beginning 18 month date of the next Futurity will be added to the next Futurity by extending the 12 to 18 month class to include the date in the ineligible zone. If a bitch is due right on the borderline dates, you may keep her eligible in both futurities by entering her in both & paying for both. Based on her actual whelping date, she will then remain eligible in one or the other Futurity. Occasionally, we have the opposite happen when Futurity year dates overlap. The same concept is applied - she may be nominated for both years & the puppies may be nominated for both Futurities also by paying double fees at each level. However, you must choose which Futurity you will show in. You can only show a puppy in one Futurity. If you decide to show the puppy in the 6-9 month class, you may not show that puppy again in the 12-18 month class the following year.
3. Nominations of bitches bred may be made on the ASSA Bulletin Board forms, or a 3 x 5 card, if at all possible. If necessary, you may submit nominations on any piece of paper. You must include Show Location, Show date/year, Dam, Date bred, Breeder(s) and your complete address with phone number. Upon receipt of your bitches nomination, a form will be mailed to you that will include your 3 month and 6 month reminders. This will be your only reminder. The sire must be specified by the 6-month nomination. The fee of \$5.00 per dam must be enclosed with the original nomination and a fee of \$3.00 per puppy is due by 3 months with the exact whelping date and sex of each puppy kept nominated. A \$7.00 fee is due by six months for each puppy you wish to keep nominated, and you must include the pup's full AKC registered name, sex, and new owner (if any). Entries in the 6-9 month class must arrive at least 30 days prior to judging. All six month nominations must include AKC litter number & proposed name, then the name can be changed at a later date but must have the same AKC registration number.
4. The Futurity will consist of six classes: dogs and bitches for 6-9 months; 9-12 months; and 12-18 months. Winners of all above classes will compete for Best in Futurity.
5. Fees received for each class, less 30% (25% for expenses & 5% for the Breeder of the Best in Futurity winner) will be used as prize money in that class. If divided by sex, money for that age group will be halved. Prize money will be divided as follows: 1st - 40%; 2nd - 30%; 3rd - 20%; 4th - 10%. Prizes revised if less than four (4) entries in a class. All prizes are paid to the handler in the ring. A special award of 5% of the total prize money will be paid, for each Futurity, to the ASSA member breeder of the Best in Futurity Winner. All nominations, correspondence and checks (payable to ASSA) are to be sent to the Chairperson: Kathryn Hensley, 1270 W. 137th, Crown Point, IN 46307 (219) 776-9192 E-mail: kathrynhensley@outlook.com.
6. All money paid is irrevocable with these exceptions: Overpayment made in error & nominations arriving too early or too late for the age of the class. Money is not returned for "misses". Members recruited to judge Futurity will have their money returned on request. Request must be made 30 days before the Futurity date. MAKE CHECKS PAYABLE TO ASSA.

7. On checks for the original nomination of the bitch, please write the bitch's AKC name. On 3 and 6 month nominations please write the Futurity litter number assigned. Also on 6 month nomination, add COLOR OF PUPPY.
8. Please do not send Certified Mail or Air Express letters. Remember, eligibility is determined by the postmark, not delivery date (except for the Futurity closing date of 1 month prior to judging).
9. Canadian members, please send your Futurity fee by Postal Money Order/US funds.
10. Whenever there is a NSF check, the nomination for a litter will be ineligible until the check is made good and all bank charges incurred by ASSA are reimbursed.
11. If you wish to know that your 3 month and 6 month Futurity nomination arrived safely, please include your e-mail address or a self-addressed, stamped postcard or envelope with those nominations. The initial nomination is acknowledged by the letter returned to you, which contains tear sheets for 3 and 6 month nominations. If you do not receive the letter, the Chairman never received your original nomination.

Futurity Judge
Mark Hersman

My love and passion for our breed started as a young boy who dreamed of owning, breeding and showing Shelties. I immersed myself in studying the breed standard, pedigrees, going over dogs, going to shows, and learning all I could about our wonderful breed. Breeding Shelties under the

Westar prefix has been a dream come true. I have bred/owned 50 Champions, including the following ASSA Winners: 1998 RWB, 2001 RWD, 2002 WD, 2004 Stud Dog Winner, 2007 AOM, 2009 AOM, 2010 RWD, 2010 Best In Futurity, 2010 BOB, 2014 AOM. 2018 BOS and 2019 AOM. I have bred/owned three ROMs, BISS CH. Fairwyn Westar Essence ROM (ASSA RWB), CH. Westar's Faron ROM (ASSA RWD), and MBISS GRCH. Aratone Westar Dating A Royal UD, PT, VCX, ROM, (ASSA Top 20 & ASSA AOM). As a handler, I have finished more than 130 Champions. Thank you to my peers for the honor and privilege of judging the 2020 ASSA National Futurity.

Bitch Judge

Jo Ann Pavey

I acquired my first Sheltie 50 years ago, in 1970, and have owned Shelties ever since. That first Sheltie became my first U.D. dog. My next Sheltie became my first conformation Champion and second U.D. dog. Over the years I have bred (under the Calabar and Whitegates prefixes), shown in conformation, and participated in obedience and tracking with my Shelties. I have enjoyed my fair share of success in all venues, including Bests in Show and Bests in Specialty Show with dogs of all colors, as well as some treasured ASSA wins. I have competed in Canada, the United States, and Bermuda, and have titled my Shelties in all of these countries, including many Canadian and American Champions.

Always interested in all purebred dogs and having spent a large portion of my life at dog shows, I now judge all of the Sporting, Toy, and Herding groups and Best in Show and am currently on permit for 17 Working breeds. I feel that studying and judging other breeds has made me a better judge of our breed.

I am honored to have been chosen by my peers to judge Dogs at this 2020 ASSA National Specialty. I am excited to judge your beautiful Shelties!

Best of Breed Judge

Patty Skinner

My love of purebred dogs began when my Girl Scout troop volunteered to do cleanup at a local dog show. That day I was “bitten” by the bug and knew one day I would become a breeder/exhibitor/judge. My husband and I

met through our love of shelties, and my son, Dusty, competed in Juniors.

I’m currently vice president of the Sacramento Valley SSC and have been a member since 1982. I’ve served as Show Chair for 32 Specialties. I’ve served two terms as ASSA Region 7 Director, and I’m an approved ASSA mentor. I’ve been judging Shelties since 2007 and Collies since 2017. I love Shelties and Collies of all colors.

Homewood Shelties remains a small, licensed kennel, and typically we have about six Shelties in residence. We’ve won ASSA BOB, BOS, and Best in Futurity — each twice. We have three ASSA Awards of Merit and have three American ROMs and one Canadian ROM. We’ve bred/owned/co-bred an ASSA Best All-Around Sheltie and WB. Three of our dogs are all-breed Best in Show winners, two earning Century Club status.

My dearest memories are of watching my son win the ASSA Junior Showmanship competition and watching BIS/BISS Ch. Homewood Hurricane, CC, ROM, ROMC, win ASSA Best in Futurity and then, many years later, ASSA BOB from the Veteran Class.

Judging the National is a dream come true. Thank you, All!

JUNIOR SHOWMANSHIP COMPETITION

Novice Junior Class: For Boys and Girls who are at least 9 years old and under 12 years old on the day of the show and who, at the time entries close, have not won three First Place awards with competition present in a Novice Class at a licensed or member show.

Novice Intermediate Class: For Boys and Girls who are at least 12 years old and under 15 years old on the day of the show and who, at the time entries close, have not won three First Place awards with competition present in a Novice Class at a licensed or member show.

Novice Senior Class: For Boys and Girls who are at least 15 years old and under 18 years old on the day of the show and who, at the time entries close, have not won three First Place awards with competition present in a Novice Class at a licensed or member show.

Open Junior Class: For Boys and Girls who are at least 9 years old and under 12 years old on the day of the show and who, at the time entries close, have won three First Place awards with competition present in a Novice Class at a licensed or member show.

Open Intermediate Class: For Boys and Girls who are at least 12 years old and under 15 years old on the day of the show and who, at the time entries close, have won three First Place awards with competition present in a Novice Class at a licensed or member show.

Open Senior Class: For Boys and Girls who are at least 15 years old and under 18 years old on the day of the show and who, at the time entries close, have won three First Place awards with competition present in a Novice Class at a licensed or member show.

Master Class: This class will be for Boys and Girls who are at least 9 years old and under 18 years on the day of the show and who have 10 Best Junior wins with competition present from the Open Class. The calendar for this class will be consistent with the eligibility dates for the AKC National Championship. All Juniors meeting the criteria for this class are required to enter the Master Class and must change their entry the day of the show if entries have already closed. Once the eligibility time frame for that year has passed all participants return to the Open Class to compete for the following year.

Each dog handled in a regular Junior Showmanship Class must be entered in one of the Breed or Obedience Classes at the show, or must be entered for Junior Showmanship only. However, a dog may be substituted. Such substitution must be accompanied by an official AKC entry form. All such substitution must be made one half-hour prior to the judging of any Junior Showmanship Classes at the show. Each dog must be owned or co-owned by the Junior Handler or by the Junior Handler's father, mother, brother, sister, uncle, aunt, grandfather or grandmother, including step and half relations or by a member of the Junior Handler's household. Every dog entered for Junior Showmanship must be eligible to compete in Dog Shows or in Obedience Trials. BITCHES IN SEASON ARE NOT ELIGIBLE. A dog that has been excused or disqualified by a Breed Judge or by a Bench show Committee may still be handled in Junior Showmanship if eligible to compete in Obedience Trials. A dog that has been rejected, dismissed, or excused by the Veterinarian for the protection of the other dogs at the show or for the protection of the dog excused may not be handled in Junior Showmanship.

Junior Handlers who win a third Novice Class with competition present after the closing of entries may transfer their entries from the Novice class to the Open Class. Junior handlers that meet the criteria to enter the Master class after the close of entries may transfer their entries from the Open class to the Master class. This transfer must be made at least one-half hour before the scheduled start of Junior Showmanship judging at the show.

Junior Handler's must include their AKC Junior Handler identification number on the entry blank. You may obtain your number by calling the AKC (919) 233-9767.

Robert Carpenter

Woodbridge Shelties

Bob Carpenter was an important part of our lives and he will be missed. He was active in the Shetland Sheepdog Club of Western New York from the club's inception as well as in the ASSA. Bob served both clubs in various positions for many years.

Bob and Gail Carpenter opened their home and their hearts to us. Bob was always encouraging and made us feel welcome. They guided us in our breeding programs and always took time out of their schedules to spend time with us.

At the end of the day, the lesson was to remember to enjoy life and not take it all so seriously.

*Though we need to weep your loss,
You dwell in that safe place in our hearts,
Where no storm or night or pain can reach you
Let us not look for you only in memory,
Where we would grow lonely without you.
You would want us to find you in presence,
Beside us when beauty brightens,
When kindness glows
And music echoes eternal tones.*

“On the Death of the Beloved” by John O’Donohue

Mom,

You were an icon and inspiration to many. You will be long- and well-remembered as a highly successful breeder, handler, educator and mentor. Rightfully so. Your numerous accomplishments and contributions to Shelties and to the sport are well documented.

But we want to acknowledge and celebrate some of the personal qualities that made you so special:

- Your appreciation for beauty
- Your love of dance and music — from classical, to pop, to Motown
- Your strong will and determination
- Your sharp mind and deep curiosity
- Your wonderful humor and great wit
- Your constant striving for excellence
- Your single-minded pursuit of your passions
- Your generous spirit
- Your grace and quiet dignity
- The twinkle in your eye and that mischievous grin.

You are dearly loved and deeply missed.

Until we dance again.

Love,

H2 and M
